I understand that during the performance of the procedure(s) that I have authorized, unforeseen conditions may arise. Therefore, I hereby consent to and authorize the performance of such procedures as are necessary in the exercise of the clinic's professional services. I also do hereby acknowledge that I understand that there are no guarantees either expressed or implied that the procedures authorized will be without complications from unexpected events beyond the groomer's and center's control.

There may be an additional charge for animals that have fleas, who are aggressive, and coats are matted. Proof of a current rabies vaccination is required. Current yearly vaccines are highly recommended for dogs and cats. We are not responsible for unvaccinated animals.

AWC reserves the right to refuse/stop services for aggressiveness, medical or health issues and pursue veterinary treatment at owner's cost as deemed necessary. A \$20 "no show" fee will be charged daily for animals not picked up by the end of the business day and requiring an overnight stay.
